sketches on a scale of one-fourth
inch to the foot. The plans to be
presented at the Superintendent's office, Danville, Va., December 13, 1912.
The amount to be expended 's about
\$33.000.

\$33.000.
The board reserves the right to reject any or all plans. Communications in regard to the above should be sent to DR. G. W. COCKE, Chairman of the Building Committee, North Main Street, Danville, Va.

Will Start Journal When He Gets His Fortune-Attacks

Mashers Billed as a lecture on the 'Phile sophic Aspect of Christianity," John Armstrong Chaloner's address at the Rex Theatre last night wandered from its solf-set limits and browsed vicari-ously in the fields of political economy.

Mills, will be devoted his efforts during the coming months. They alone, he said, handicap Richmond's progress, al-ready great in commerce and manu-facturing. If necessary, he said, he will publish a series of pamphlets em-bodying the subject matter of his forthcoming lectures and distribute them gratis.

wednesday morning. November them gratis.

"And just as soon as I win my suit against the law firm in Wall Street that is keeping me from my rightful fortune," said Mr. Chaloner, "I will start in this city a weekly newspaper to give greater publicity to the reforms I advocate. A weekly will suffice as a beginning. If the response justifies, I may change it into a daily later."

The speaker found time to haul over the coals the "gang of gilded gunmen," who, he said, tried to rob him of his reason by securing his confinement in Bloomingdale, and even along the said to the security of th

Carload good second-hand Mules, all young and sound; single and in pairs; just worked enough to be reasoned and hard, will be sold in sest few days; also Wagons, Carta, Scraners

NEXT YEAR WILL MARK CANAL'S COMPLETION

Not Formally Opened for Trade Then, but Vessel Will Pass Between Two Oceans.

Commission Makes Report.

Washington, November 17.—Some work though in view of the fact that time next summer or fall, no exact date being specified, a vessel will pass from the Atlantic to the Pacific across what is now the Isthmus of Panama, which consequently must disappear from the world's geography, and by the same human agency, the Western Hemisphere will be divided into two continents. The vessel will not be the Oregon nor any other famous ship, but will be one of the many small water craft in daily use by the canal build-many ranking with an Alphae avalench.

At the Stables of W. F. Downsy, At the Cast that the stables of W. F. Downsy, At the Stable of W. F. Downsy, At the Stables of W. F. Downsy, At the Stable

by side, not only to add to the capacity of the canal, but to insure its con-tinuance in operation in case of a serious accident to a ship in one of

Great Sides Increase Work.

The report shows a most satisfactor:

R., F. & P. and Atlantic Coast Line Stockholders Assemble Here This Week.

The annual meeting of the stockholders of the Richmond, Fredericksburg and Potomac Railroad Company will be

ern.
The annual meeting of the stock-holders of the Atlantic Coast Line Rail-road Company will be held at the general offices of the company in the Byrd street Station in this city, to-morrow morning at 11 o'clock, for the election of directors and other officers and other general business. The call for this meeting specifies that the board of directors will bring up in addition to matters usually presented at the annual and general meeting a proposition to increase the common capital stock by the amount of \$5,000,000 in addition to the present authorized issue and as tall and broad as a great sky scraping building, in the remarkable seed corn which the producing. For ten years a producing. For ten years a producing and as tall and broad as a great sky scraping building, in the remarkable seed corn in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large quantities to Mass scraping building in the remarkable sectory in large corner become the large crowd present the large crowd prize carried with it is to be seen to the large carried with it is being installed.

D.

Then there is another little slide of no less than fifty acres on the opposite side of the canal. The result of these earth movements, which are quite exceptional in engineering practice, has been to leave the canal in its deepest portions with very flat slopes. The encouraging feature of the heavy work at the canal transfer of encouraging feature of the heavy
work at that point is found in the
statement in the report "that none of
the slides which occurred during the
year would have interfered with the
passage of ships had the canal been

Event at New Canton. in operation."

Rune Into Big Figures. Already the appropriations made by Congress for the canal have run into big figures, the total up to June 30 last being \$292,561,468, and since that date there have been additional appropriations, exclusive of those for fortipriations, exclusive of those for forti-fications amounting to \$23,980,000, mak-ing the grand total \$322,541,468. On June 30, of all these appropriations, the engineers had expended 69 per cent of the total estimated cost of the

and Potomac Railroad Company will be held in the home offices of the company in the First National Bank Building, in this city, this morning at 11 o'clock. Election of directors, approval of the annual report and other business is to be transacted.

Three other meetings of the stockholders of the affiliated companies will also take place to-day, the Potomac Railroad Company being called for 12:30 P. M., the Washington-Southern Railway Company for 12 noon, and the Richmond, Fredericksburg and Potomac and Richmond and Petersburg Connection Company at 10 A. M. This latter company owns the line between Elba and Byrd Street Stations. The Potomac Railroad owns a strip between Quantico and Aquia Creek, connecting the Richmond, Fredericksburg and Potomac Railroad owns a strip between Quantico and Aquia Creek, connecting the Richmond, Fredericksburg and Potomac Railroad owns a strip between Quantico and Aquia Creek, connecting the Richmond, Fredericksburg and Potomac Railroad company will be held at the genineers found it necessary to make against one another. It was an awful test for dynamo and motor builders to have their machines required to optomize the form a period of ten days in a building filled with steam at a temperature of 50 degrees centigrade and skillful use of the lournament, and skillful use of the lange only the left at the genineers found it necessary to make a great number of experiments, no less that a test showed that it required to optomize the stock of the stock of the company with the proper stock of the stock of the company in the Byrd Strate Station in the stock of the company in the Byrd Strate Station in the stock of the company in the Byrd Strate Station in the stock of the sto in Culebra Cut was the work of conerate for a period of ten days in a building filled with steam at a temperature of 50 degrees centigrade and having the motor cases filled with water for five hours at 30 degrees. But finally the American motor builders responded, and suitable apparatus is being installed.

Thus electric motors under tests are Thus electric motors under tests are remarkable seed corn which they are

meeting or the stockholders of the annual meeting or the stockholders of the brone bushings.
